The Complete Poems 1927-1979-Elizabeth Bishop 1994

One Art-Elizabeth Bishop 2015-01-13 Robert Lowell once remarked, "When Elizabeth Bishop's letters are published (as they will be), she will be recognized as not only one of the best, but one of the most prolific writers of our century." One Art is the magificent confirmation of Lowell's prediction. From several thousand letters, written by Bishop over fifty years—from 1928, when she was seventeen, to the day of her death, in Boston in 1979—Robert Giroux, the poet's longtime friend and editor, has selected over five hundred missives for this volume. In a way, the letters comprise Bishop's autobiography, and Giroux has greatly enhanced them with his own detailed, candid, and highly informative introduction. One Art takes us behind Bishop's formal sophistication and reserve, fully displaying the gift for friendship, the striving for perfection, and the passionate, questing, rigorous spirit that made her a great artist.

Becoming a Poet-David Kalstone 2001 A celebrated study of Elizabeth Bishop's genius, as revealed through her literary friendships

Questions of Travel-Elizabeth Bishop 2015-01-13 The publication of this book is a literary event. It is Miss Bishop's first volume of verse since Poems, which was awarded the Pulitzer Prize for Poetry in 1955. This new collection consists of two parts. Under the general heading "Brazil" are grouped eleven poems including "Manuelzinho," "The Armadillo," "Twelfth Morning, or What You Will," "The Riverman," "Brazil, January 1, 1502" and the title poem. The second section, entitled "Elsewhere," includes others "First Death in Nova Scotia," "Manners," "Sandpiper," "From Trollope's Journal," and "Visits to St. Elizabeths." In addition to the poems there is an extraordinary story of a Nova Scotia childhood, "In the Village." Robert Lowell has recently written, "I am sure no living poet is as curious and observant as Miss Bishop. What cuts so deep is that each poem is inspired by her own tone, a tone of large, grave...
tenderness and sorrowing amusement. She is too sure of herself for empty mastery and breezy plagiarism, too interested for confession and musical monotony, too powerful for mismanaged fire, and too civilized for idiosyncratic incoherence. She has a humorous, commanding genius for picking up the unnoticed, now making something sprightly and right, and now a great monument. Once her poems, each shining, were too few. Now they are many. When we read her, we enter the classical serenity of a new country."

Catcher's Keeper - J. D. Spero 2014-03-01 What if Holden Caulfield was around when John Lennon was shot? In 1980 John Lennon was killed by Mark David Chapman, who believed he was Holden Caulfield, narrator of the classic "The Catcher in the Rye." After the shooting, Chapman remained on the scene calmly reading the book, which he later offered to police as his statement. "Catcher's Keeper" asks the question, "What if Holden could have met Chapman, learned of his plan, and tried to prevent the assassination?"

Ariel - Sylvia Plath 2013-11-07 A beautiful gift hardcover edition, with the original 1960s cover design.

Li Ch’ing-chao, Complete Poems - Qingzhao Li 1979 The Complete Poems of Li Ch’ing-chao (1084-c. 1151) brings together for the first time in English translation all the surviving verse of China’s greatest woman poet.

Guide to Greece - George Kalogeris 2018-12-03 In the tradition of second-century writer Pausanias, George Kalogeris offers a series of meditative poems on his Greek heritage, both through the intimate lens of his upbringning and the vast historical view of the country’s great literature and philosophy. Kalogeris’s Guide to Greece is a warm and personal collection that ambitiously ties the diaspora of Greek people and ideas into a single literary experience. The struggles of a displaced, working-class family, in turn, give rise to musings on Antigone and Odysseus. Ancient Greek heroes inspire considerations of modern-day greats, such as billionaire Aristotle Onassis and baseball player Harry Agganis. Mirroring the familiar yet mythic call of the Aegean Sea, these poems at once evoke vivid childhood memories and provide new explorations of time-honored epics.

Complete Poems - Ernest Hemingway 1992-01-01 Ernest Hemingway never wished to be widely known as a poet. He concentrated on writing short stories and novels, for which he won the Nobel Prize in 1956. But his poetry deserves close attention, if only because it is so revealing. Through verse he expressed anger and disgust—at Dorothy Parker and Edmund Wilson, among others. He parodied the poems and sensibilities of Rudyard Kipling, Joyce Kilmer, Robert Graves, Robert Louis Stevenson, and Gertrude Stein. He recast parts of poems by the likes of Ezra Pound and T. S. Eliot, giving them his own twist. And he invested these poems with the preoccupations of his novels: sex and desire, battle and aftermath, cats, gin, and bullfights. Nowhere is his delight in dubbing snobs and overrefined writers more apparent. In this revised edition of the Complete Poems, the editor, Nicholas Gerogiannis, offers here an afterword assessing the influence of the collection, first published in 1979, and an updated bibliography. Readers will be particularly interested in the addition of "Critical Intelligence," a poem written soon after Hemingway's divorce from his first wife in 1927.
Love Unknown - Thomas Travisano 2019-11-05
An illuminating new biography of one of the greatest American poets of the twentieth century, Elizabeth Bishop "Love Unknown points movingly to the many relationships that moored Bishop, keeping her together even as life—and her own self-destructive tendencies—threatened to split her apart." —The Wall Street Journal
Elizabeth Bishop's friend James Merrill once observed that "Elizabeth had more talent for life—and for poetry—than anyone else I've known." This new biography reveals just how she learned to marry her talent for life with her talent for writing in order to create a brilliant array of poems, prose, and letters—a remarkable body of work that would make her one of America's most beloved and celebrated poets. In Love Unknown, Thomas Travisano, founding president of the Elizabeth Bishop Society, tells the story of the famous poet and traveler's life. Bishop moved through extraordinary mid-twentieth century worlds with relationships among an extensive international array of literati, visual artists, musicians, scholars, and politicians—along with a cosmopolitan gay underground that was then nearly invisible to the dominant culture. Drawing on fresh interviews and newly discovered manuscript materials, Travisano illuminates that the "art of losing" that Bishop celebrated with such poignant irony in her poem, "One Art," perhaps her most famous, was linked in equal part to an "art of finding," that Bishop's art and life was devoted to the sort of encounters and epiphanies that so often appear in her work.

Middle Distance: Poems - Stanley Plumly 2020-08-18
A probing and commanding final volume from a master poet facing his own mortality. After a diagnosis of cancer, acclaimed poet Stanley Plumly found himself in the middle distance—looking back at his childhood and a rich lifetime of family and friends, while gazing into a future shaped by the press of mortality. In Middle Distance, his final collection, he pushes onward into new territory with extended hybrid forms and revelatory prose pieces. The result is the moving culmination of a long career, a work of fearless, transcendent poems that face down the impending eternal voyage. Plumly populates this collection with tender depictions of poets, family, and friends—the relationships that sustained him throughout his life—as well as unflinching self-portraits. In "White Rhino," for instance, he adopts the voice of the "last of [his] kind," using the rare creature as a canvas to depict the dying, aging poet himself. In "Night Pastorals," he writes vividly and movingly about being on his deathbed, with fragmentary impressions of the other side. In profound lyric narratives, Plumly reaches out to a past that feels closer than ever, returning to the Ohio of his childhood and the shadows of a country at war. Blending documentary and memoir with his signature Keatsian lyricism, Middle Distance contemplates at every turn the horizons of Plumly's life.

Elizabeth Bishop - Megan Marshall 2017-02-07
From a Pulitzer Prize-winning author, a brilliantly rendered life of one of our most admired American poets Since her death in 1979, Elizabeth Bishop, who published only one hundred poems in her lifetime, has become one of America's most revered poets. And yet--painfully shy and living out of public view in far-flung locations like Key West and Brazil--she has never been seen so fully as a woman and artist. Megan Marshall makes incisive and moving use of a newly discovered cache of Bishop's letters--to her psychiatrist and to three of her lovers--to reveal a much darker childhood than has been known, a secret affair, and the last chapter of her passionate romance with Brazilian modernist designer Lota de Macedo Soares. These elements of Bishop's life, along with her friendships with fellow poets Marianne Moore and Robert Lowell, both important champions of her work, are brought to life with novelistic intensity. And by alternating the narrative line of biography with brief passages of memoir, Megan Marshall, who studied with Bishop in her storied 1970s poetry workshop at Harvard, offers the reader an original and compelling glimpse of the ways poetry and biography, subject and biographer, are entwined.

Geography III - Elizabeth Bishop 2015-01-13
Whether writing about waiting as a child in a dentist's office, viewing a city from a plane high above, or losing items ranging from door keys to one's lover in the masterfully restrained "One Art," Elizabeth Bishop somehow conveyed both large and small emotional truths in language of stunning exactitude and even more astonishing
resonance. As John Ashbery has written, "The private self . . . melts imperceptibly into the large utterance, the grandeur of poetry, which, because it remains rooted in everyday particulars, never sounds 'grand,' but is as quietly convincing as everyday speech."

**On Elizabeth Bishop**-Colm Tóibín 2015-03-22
In this book, novelist Colm Tóibín offers a deeply personal introduction to the work and life of one of his most important literary influences—the American poet Elizabeth Bishop. Ranging across her poetry, prose, letters, and biography, Tóibín creates a vivid picture of Bishop while also revealing how her work has helped shape his sensibility as a novelist and how her experiences of loss and exile resonate with his own. What emerges is a compelling double portrait that will intrigue readers interested in both Bishop and Tóibín. For Tóibín, the secret of Bishop's emotional power is in what she leaves unsaid. Exploring Bishop's famous attention to detail, Tóibín describes how Bishop is able to convey great emotion indirectly, through precise descriptions of particular settings, objects, and events. He examines how Bishop’s attachment to the Nova Scotia of her childhood, despite her later life in Key West and Brazil, is related to her early loss of her parents—and how this connection finds echoes in Tóibín’s life as an Irish writer who has lived in Barcelona, New York, and elsewhere. Beautifully written and skillfully blending biography, literary appreciation, and descriptions of Tóibín’s travels to Bishop’s Nova Scotia, Key West, and Brazil, On Elizabeth Bishop provides a fresh and memorable look at a beloved poet even as it gives us a window into the mind of one of today’s most acclaimed novelists.

**Twenty Love Poems and a Song of Despair**-Pablo Neruda 2004 Presents a bilingual edition of the Nobel Prize-winning Chilean poet's collection of poems celebrating the beauty and nature of love and the passions, fears, pain, and anguish of human existence. Reprint. 35,000 first printing.

**Poems, Prose, and Letters**-Elizabeth Bishop 2008 A single-volume collection of definitive pieces collects all of the twentieth-century writer’s works of poetry in an anthology that also features her unpublished drafts, literary essays, and travel writings.

**Enormous Changes at the Last Minute**-Grace Paley 2014-10-07 In Enormous Changes at the Last Minute, originally published in 1974, Grace Paley "makes the novel as a form seem virtually redundant" (Angela Carter, London Review of Books). Her stories here capture "the itch of the city, love between parents and children" and "the cutting edge of combat" (Lis Harris, The New York Times Book Review). In this collection of seventeen stories, she creates a "solid and vital fictional world, cross-referenced and dense with life" (Walter Clemons, Newsweek).

**Elizabeth Bishop and The New Yorker**-Elizabeth Bishop 2011-02-01 I sort of see you surrounded with fine-tooth combs, sandpaper, nail files, pots of varnish, etc.--with heaps of used commas and semicolons handy, and little useless phrases taken out of their contexts and dying all over the floor," Elizabeth Bishop said upon learning a friend landed a job at The New Yorker in the early 1950s. From 1933 until her death in 1979, Bishop published the vast majority of her poems in the magazine's pages. During those forty years, hundreds of letters passed between Bishop and her editors, Charles Pearce, Katharine White, and Howard Moss. In these letters Bishop discussed the ideas and inspiration for her poems and shared news about her travels, while her editors offered support, commentary, and friendship. Their correspondence provides an unparalleled look into Bishop's writing process, the relationship between a poet and her editors, the internal workings of The New Yorker, and the process of publishing a poem, giving us a rare glimpse into the artistic development of one of the twentieth century's greatest poets.

**Across the River and Into the Trees**-Ernest Hemingway 2014-05-22 In the fall of 1948, Ernest Hemingway made his first extended visit to Italy in thirty years. His reacquaintance with Venice, a city he loved, provided the inspiration for Across the River and into the Trees, the story of Richard Cantwell, a war-ravaged American colonel stationed in Italy at the close of the Second World War, and his love for a young Italian countess. A poignant, bittersweet homage to love that overpowers reason, to the resilience of the human spirit, and to the worldweary beauty and majesty of Venice, Across the River
and into the Trees stands as Hemingway's statement of defiance in response to the great dehumanizing atrocities of the Second World War. Hemingway's last full-length novel published in his lifetime, it moved John O'Hara in The New York Times Book Review to call him "the most important author since Shakespeare."

Rare and Commonplace Flowers-Carmen L. Oliveira 2003 The gripping story of Pulitzer Prize-winning poet Elizabeth Bishop and her relationship with the extraordinary Brazilian woman Lota de Macedo Soares.

The More I Owe You-Michael Sledge 2010-05-04 The author of the acclaimed memoir Mother and Son creates an intimate portrait of poet Elizabeth Bishop in this "sensitive and engrossing" debut novel (Publishers Weekly). "A portrait of the artist as a human—a woman of desire, contradiction, and need." —A. M. Homes, author of The Mistress's Daughter Artfully drawing from Elizabeth Bishop's lifelong correspondences and biography, The More I Owe You explores the modernist poet's intensely private world, including her life in Brazil and her relationship with her lover, the dazzling, aristocratic Lota de Macedo Soares. Despite their seemingly idyllic existence in Soares's glass house in the jungle, Bishop's lifelong battle with alcoholism rises to the surface. And as the sensuous landscape of Rio de Janeiro, the rhythms of the samba and the bossa nova, and the political turmoil of 1950's Brazil envelop Bishop, she enters a world she never expected to inhabit. . . A vivid imagining of the tumultuous relationship between two brilliant and artistic women, The More I Owe You reveals Elizabeth Bishop to be a literary genius who lived in conflict with herself, both as a writer and as a woman. "Real-life poet Elizabeth Bishop is vividly and imaginatively portrayed in Sledge's debut novel. . . . Strong and intoxicating." —Booklist "A gorgeous meditation on enduring love, damage, and what it can be to be happy, for however brief a moment. Bravo, bravo, bravo." —Stacey D'Erasmo, author of The Sky Below "A beautiful dream of a book. Sumptuously detailed, deeply felt, it is as if Sledge slipped back in time and walked every step with Elizabeth Bishop, breathed every breath with her." —Alison Smith, author of Name All the Animals

Feel Free-Zadie Smith 2018-02-06 Winner of the 2018 National Book Critics Circle Award for Criticism A New York Times Notable Book From Zadie Smith, one of the most beloved authors of her generation, a new collection of essays Since she burst spectacularly into view with her debut novel almost two decades ago, Zadie Smith has established herself not just as one of the world's preeminent fiction writers, but also a brilliant and singular essayist. She contributes regularly to The New Yorker and the New York Review of Books on a range of subjects, and each piece of hers is a literary event in its own right. Arranged into five sections--In the World, In the Audience, In the Gallery, On the Bookshelf, and Feel Free--this new collection poses questions we immediately recognize. What is The Social Network--and Facebook itself--really about? "It's a cruel portrait of us: 500 million sentient people entrapped in the recent careless thoughts of a Harvard sophomore." Why do we love libraries? "Well-run libraries are filled with people because what a good library offers cannot be easily found elsewhere: an indoor public space in which you do not have to buy anything in order to stay." What will we tell our granddaughters about our collective failure to address global warming? "So I might say to her, look: the thing you have to appreciate is that we'd just been through a century of relativism and deconstruction, in which we were informed that most of our fondest-held principles were either uncertain or
simple wishful thinking, and in many areas of our lives we had already been asked to accept that nothing is essential and everything changes—and this had taken the fight out of us somewhat."

Gathering in one place for the first time previously unpublished work, as well as already classic essays, such as, "Joy," and, "Find Your Beach," Feel Free offers a survey of important recent events in culture and politics, as well as Smith's own life. Equally at home in the world of good books and bad politics, Brooklyn-born rappers and the work of Swiss novelists, she is by turns wry, heartfelt, indignant, and incisive—and never any less than perfect company. This is literary journalism at its zenith. Zadie Smith’s new book, Grand Union, is on sale 10/8/2019.

**88 Poems**-Ernest Hemingway 1979 Spanning a thirty-eight-year period, from Hemingway's first poem published when he was twelve to private verses sent to Mary Welsh Hemingway in 1950, these lyrics, parodies, and satires touch on themes that range from war and love to contemporary literatu

**Collected Poems 1956-1987**-John Ashbery 2010 This monumental work traces Ashbery’s work from the start of his career to his establishment as the world's greatest living English-language poet. Beginning with Some Trees (1956), chosen by W.H. Auden for the Yale Younger Poets Prize, this volume spans a dozen of his most important collections.Ashbery supervised the publication of the present volume; he specified which variant readings he prefers, approved teh editor's correction of a few unambiguous typographical errors, and advised about stanza breaks where it is not clear from teh original printings whether a page break is also a stanza break--Note on the texts, p. 1007.

**Common Interest, Common Good**-Shirley Sagawa 2000 With funding for nonprofits shrinking and global markets shaky, our business and social sectors are both confronting an increasingly uncertain future. Many organizations are searching for innovative strategies that will counter the mounting pressures felt by communities and corporations alike. Common Interest, Common Good argues that forward-looking businesses and social sector organizations (both nonprofit and government) can solve many of their problems by working together-while serving the common good in the process. According to Shirley Sagawa and Eli Segal, alliances between for-profit and the not-for-profit industries yield enormous benefits for both. Businesses can boost their bottom line by leveraging a nonprofit partnership to enhance their image, reach new markets, increase consumer loyalty, and build a positive reputation with current and prospective employees. The upside is just as powerful for nonprofits, because an alliance with a corporation can provide crucial funds and visibility while helping to attract new volunteers and donors. Common Interest, Common Good showcases many such successful partnerships, from corporate sponsorships and cause-related marketing to employee volunteer programs and school-to-work initiatives. The authors also offer some much-needed guidance for avoiding many of the pitfalls that can undermine even the best alliances. A convincing, deeply felt book by two authors who have devoted much of their careers to helping public and private sectors find profitable new ways of working together, Common Interest, Common Good is a guided tour of the progressive new strategies that can contribute to the purpose of our businesses and the prosperity of our communities.

**Travelling in the Family**-Carlos Drummond de Andrade 1986

**The Collected Poems of Wallace Stevens**-Wallace Stevens 1954
